

ADDENDUM 2

BUTTE VIEW ESTATES

9400 Larkin Road, Live Oak, CA 95953

1. In Section 08560, Vinyl Windows, it refers to a section 01630, Substitutions, but I can't find a Section 01630. Could you please clear this up?
Section 01630, Substitutions was inadvertently left out of the specifications section of the bid packet. Section 01630 is attached to this addendum.
2. The specs for the slurry seal are calling for a type usually applied to roads and requires different equipment than the normal parking lot seal coat. Are you wanting the typical parking lot seal coat or are you wanting the road type slurry seal.
Yes we are wanting to use the heavier type slurry seal more typical to roadways as called for in the specifications. Because of the large amount of cracking and the time frame since the last seal coat we feel this will be better suited.
