Smoke and Tobacco-Free Multi-Unit Housing Policy Survey Results October 2018

On October 14th, Sutter County Tobacco Control Program staff surveyed 29 residents of Richland Housing about their opinions regarding the recent implementation of a 100% smoke and tobacco-free policy at the multi-unit housing (MUH) complex.

All of the survey respondents agreed that secondhand smoke (SHS) is harmful to people's health and all but one of the respondents agreed that there should be rules in place to protect residents from SHS in MUH. The respondent who did not think there should be rules is a current smoker.

Over 75% (22/29) of the respondents strongly support or support the smoke and tobacco-free policy. Among those strongly opposed to the policy, 4/5 have children under 18 and 1 currently smokes.

While support for the policy is very strong, almost half of the respondents feel that the residents of the complex are not following the policy's rules (48.3%; 14/29). Another 31% (9/29) are not sure if the rules are being followed and only 20.7% (6/29) say the residents are following the rules.

Overall, 50% (14/28) of respondents say management is adequately enforcing the new rules, 25% (7/28) say the management is not doing adequate enforcement, and 25% (7/28) say they are not sure. All seven of the respondents who say that management is not doing an adequate job of enforcement also feel that the rules are not being followed by residents.

Smoke-Free Policy

WHY:

- The U.S. Department of Housing and Urban Development (HUD) requires all public housing to become smoke-free.
- Smoking is the leading cause of preventable death in the United States. Secondhand smoke can trigger asthma attacks and lead to stroke, heart attack, cancer, and respiratory illness. Children and seniors are often impacted the most by secondhand smoke. Eliminating smoking indoors and close to buildings is the best way to protect people from exposure to secondhand smoke.
- Regional Housing Authority is committed to enhancing the health and well-being of the community
- Regional Housing Authority's Smoke-Free Policy is designed to create healthier homes for residents and healthier work environments for employees by reducing exposure to secondhand smoke.

Regional Housing Authority has adopted Smoke-Free policies and will be implementing a smoke-free environment at all public housing sites effective July 1, 2018.

WHAT:

- Regional Housing Authority Smoke-Free Policy prohibits the use of cigarettes, cigars, pipes, hookah pipes and electronic cigarettes.
- The term smoking means inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, pipe, or any other lighted or heated tobacco or plant product intended for inhalation, including hookahs and marijuana, whether natural or synthetic, in any manner or any form. Smoking also includes the use of any electronic smoking device which creates an aerosol or vapor, in any manner or form,

WHERE:

- Smoking or use of prohibited smoking devices is prohibited in all living units, interior areas, including but not limited to hallways, rental and administrative offices, community centers, day care centers, laundry centers, and similar structures.
- Smoking or use of prohibited smoking devices is also prohibited in outdoor areas within 25 feet from public housing buildings and administrative office buildings.

PUBLIC HOUSING SMOKE-FREE POLICY

INTRODUCTION

In accordance with HUD regulations, Regional Housing Authority of Sutter and Nevada Counties (RHASNC) has adopted smoke-free policies. RHASNC is committed to enhancing the health and well-being of the community it serves.

Due to the increased risk of fire, increased maintenance costs, and the known health effects of secondhand smoke, smoking is prohibited in all living units and interior areas, including but not limited to hallways, rental and administrative offices, community centers, day care centers, laundry centers, and similar structures. Smoking is also prohibited in outdoor areas within 25 feet from public housing and administrative office buildings [24 CFR 965.651; 24 CFR 965.653].

This chapter contains three parts:

Part I: Definitions. This part contains definitions of smoking and tobacco products.

Part II: Areas to be Smokefree. This part discusses where smoking is prohibited.

<u>Part III:</u> Applicability of <u>Policy</u>. This part covers whom this policy applies and what happens when the policy has been violated.

PART I: DEFINITIONS

17-I.A. DEFINITIONS

For the context of the Smoke-Free Policy the following definitions shall govern as referenced in the California Business & Professionals Code 22950.5.

"Smoking" means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, or pipe, or any other lighted or heated tobacco or plant product intended for inhalation, whether natural or synthetic, in any manner or in any form. "Smoking" includes the use of an electronic smoking device that creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking.

California Business & Professionals Code 22950.5.

"Tobacco product" means any of the following:

- (A) A product containing, made, or derived from tobacco or nicotine that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, including, but not limited to, cigarettes, cigars, little cigars, chewing tobacco, pipe tobacco, or snuff.
- (B) An electronic device that delivers nicotine or other vaporized liquids to the person inhaling from the device, including, but not limited to, an electronic cigarette, cigar, pipe, or hookah.
- (C) Any component, part, or accessory of a tobacco product, whether or not sold separately.
- (D) "Tobacco product" does not include a product that has been approved by the United States Food and Drug Administration for sale as a tobacco cessation product or for other therapeutic purposes where the product is marketed and sold solely for such an approved purpose.

California Business & Professionals Code 22950.5.

PART II: AREAS TO BE SMOKE-FREE

17-II.A. ALL BUILDINGS TO BE SMOKE FREE

All public housing buildings, and administrative offices shall be smokefree. Smoking is prohibited in all living areas, including any associated balconies, decks, or patios, and in the common areas of the buildings, including but not limited to, community rooms, community bathrooms, lobbies, reception areas, hallways, laundry rooms, stairways, offices and elevators.

17-II.B. SMOKING ON GROUNDS OF BUILDINGS

Smoking is prohibited anywhere on the grounds adjoining public housing and office buildings, including entryways, patios and yards, as well as in outdoor areas within 25 feet from public housing and administrative office buildings.

RHASNC has not designated any smoking areas on the property. Residents may not discard smoking products on the property.

PART III: APPLICABILITY OF POLICY

17-III.A. APPLICABILITY OF POLICY

This policy is applicable to all residents, Housing Authority employees, Housing Authority Commissioners, visitors/guests, contractors, volunteers, and vendors.

17-III.B. RESPONSIBILITY OF TENANTS

Tenants and household members shall be responsible to enforce this policy as to their guests, invitees, and visitors to their residential units.

17-III.C. LEASE VIOLATION

Residents are responsible for the actions of their household, their guests and visitors. The PHA must enforce smoke-free policies when a resident violates this policy. When enforcing the lease, the PHA will provide due process and allow residents to exercise their right to an informal settlement and formal hearing. The PHA will not evict a resident for a single incident of smoking in violation of this policy. As such, the PHA will implement a graduated enforcement framework that includes escalating warnings. Prior to pursuing eviction for violation of smokefree policies, the PHA will take specific, progressive monitoring and enforcement actions, while at the same time educating tenants and providing smoking cessation information. Tenancy termination and eviction will be pursued only as a last resort. The PHA may terminate tenancy at any time for violations of the lease and failure to otherwise fulfill household obligations if residents behavior disturbs other residents' peaceful enjoyment and is not conducive to maintaining the property in a decent, safe, and sanitary condition.

17-III.D. PHA NOT A GUARANTOR OF SMOKEFREE ENVIRONMENT

The PHA's adoption of this smokefree policy does not make the PHA or any of its officers, employees, or agents, the guarantor of the health of any tenant or of the smokefree conditions of the portions of its properties in which smoking is prohibited under the policy. The PHA will take reasonable steps to enforce the Smoke-Free Policy. The PHA is not required to take steps in response to smoking in violation of this policy unless the PHA either has actual knowledge of the smoking and the identity of the responsible tenant or has been given written notice of the smoking.

17-III.E. PHA DISCLAIMER

The PHA disclaims any implied or express warranties that the Property will have any higher or improved air quality standards than any other rental property. The PHA cannot and does not warranty or promise the property will be free from secondhand smoke. The tenant acknowledges that the PHA's ability to police, monitor, or enforce this policy is dependent in significant part on voluntary compliance by Tenants and Tenant's guests.

REGIONAL HOUSING AUTHORITY

STAFF REPORT

Date: December 19, 2018

To: Board of Commissioners

From: Gustavo Becerra, Executive Director

SUBJECT: Out-of-State travel for meetings/trainings/conferences

for Board Chairperson, Executive Director, Planning and

Community Development Manager, Maintenance Operations Manager and Executive Assistant/HR

Coordinator

RECOMMENDATION: Authorize staff to attend referenced conferences and

meetings

FISCAL IMPACT: Approximately \$12,700 for all four conferences/meetings

and business trip expenses (inclusive of transportation,

lodging, meals, conference registration)

Background:

The Regional Housing Authority (RHA) is a member of the National Association of Housing & Redevelopment Officials (NAHRO). NAHRO is the largest and strongest advocate for Housing Authorities nationwide. NAHRO also conducts three conferences per year, the Legislative, the Summer, and the Fall Conference. It is important for the Housing Authority to be tied into the information at a national level with NAHRO, and for staff to learn the various changes in regulations, legislation, and best practices as it relates to federal housing programs.

In 2019, if approved by the Board of Commissioners, the Planning and Community Development Manager would attend the Legislative Conference in Washington DC, from April 7-9; the Executive Director would attend the Summer Conference in Boston, MA, from July 11-13 and the Maintenance Operations Manager would attend the National Conference in San Antonio, TX, from October 10-12.

Additionally, it is requested that the Executive Assistant/HR Coordinator be approved to attend the 2019 Western Region IPMA-HR Annual Training Conference in Denver, CO, from April 29-May 1. This conference focuses on the various changes in the workplace for the public sector.

It is also requested that the Board Chairperson, Executive Director, and Planning and Community Development Manager be approved to travel to Boise, ID, in May (dates to be determined) to meet with The Pacific Companies (TPC), development partner of Regional Housing Authority on a number of projects, to tour a permanent supportive housing (PSH) project recently constructed by TPC, that will be very similar in size, and operational supportive services, as the PSH projects that RHA is working on developing in Grass Valley, and Yuba City. The interest of RHA is to personally see how the project is functioning (physically, financially, and supportive services), meet with key property management and supportive service staff, 6-8 months after construction completion and residents have moved in, to get a sense of how the project performs after it is leased up.

Recommendation:

Staff recommends that the Board of Commissioners of the Regional Housing Authority approve the out-of-state travel for the referenced staff members and Board Chairperson.

REGIONAL HOUSING AUTHORITY

STAFF REPORT

Date:

December 19, 2018

To:

Board of Commissioners

From:

Gustavo Becerra, Executive Director

SUBJECT:

Update on 2018 Out-of-State travel for

meetings/trainings/conferences for Executive Director, and Occupancy Manager (Housing Choice Voucher),

and Maintenance Operations Manager

RECOMMENDATION:

None - Update only

FISCAL IMPACT:

None

Update:

The Regional Housing Authority is a member of the National Association of Housing & Redevelopment Officials (NAHRO). NAHRO is the largest and strongest advocate for Housing Authorities nationwide. NAHRO also conducts three conferences per year, the Legislative, the Summer, and the Fall Conference. It is important for the Housing Authority to be tied into the information at a national level with NAHRO, and for staff to learn the various changes in regulations, legislation, and best practices as it relates to federal housing programs.

On January 17, 2018, the Board of Commissioners authorized the out-of-state travel for the Occupancy Manager (Housing Choice Voucher) to attend the Legislative Conference in Washington DC, the Executive Director to attend the Fall Conference in Atlanta, GA and the 2018 Rural Housing Conference in Washington, DC.

The estimated amount that was approved by the Board for these three (3) conferences totaled \$6,600.00. The actual cost for the trainings including hotel, airfare, per diem/meals, and other charges such as airport/public transportation totaled \$7,040.18.

The per conference breakdown of actual total is as follows:

Occupancy Manager (Housing Choice Voucher) = \$2,398.79 Executive Director (Fall Conference, Atlanta, GA) = \$2,547.60

Executive Director (2018 Rural Housing Conference, Washington, DC) = \$2,093.79
