

## **ADDENDUM 2**

**William & Dorothy Nishimatsu  
10980 Garden Hwy.  
Yuba City, CA 95991**

- 1. There are electrical wires run on the outside of the home for lights. Do you want these relocated?**

*Replace all surface mounted wire on the exterior with new Romex style wire in the wall when the siding is off. Install a new Defiant (model #DFI-5983 or approved equal) LED light that is motion activated outside the patio door.*
